ORDER

PITMAN, United States Magistrate Judge:

Plaintiff's counsel has moved for leave to withdraw from the case; counsel's submissions in support of that motion total 33 pages. Plaintiff's opposition and sur-reply total 292 pages. I appreciate that plaintiff is a closely held corporation and that its principal -- who is the author of plaintiff's response -- is not trained as an attorney. Nevertheless, plaintiff's response to the motion is excessively long, especially given the narrow issue before that counsel's motion presents.

Plaintiff is directed to submit a revised response to the motion to dismiss that totals no more than 75 pages in double spaced 12-point type; both text and footnotes are to be in 12-

point type. Plaintiff's revised response need not be served on counsel for defendant and can be submitted directly to my chambers.
